No Matter How Obstinate or How

Contracted, CURED Modern methods of treatment for all Pelvic Discuses. We never use the surgeon's knife, if it can be avoided, and only then upon the express wish of the patient. Enlargement of the Prostrate Gland we cure by reducing it. not by removing it. We cure Piles and other Rectal Diseases without surgery. Under our superior treatment, Varicoccie quickly vanishes; the stagmant blood is absorbed and the circulation is restored to the parts affected. We have extraordinary success in curing Rupture by reliable and painless methods, with out recourse to trusses. Diseases of the Kidneys and Bledder are speedily healed, and the patient saved from fatal results which generally follow ne glected cases of long standing. Don't delay taking treatment for Chronic Pelvic Diseases; the sooner we begin to cure the sooner we will restore you to health, vigor and vitality. Nervous troubles often have their seat in local causes, which we can ascertain and remove. The gloom and despondency which attend those who are fearful that they never can be cured of their aliments
